Video editing rates

USD | GENERAL GUIDE | 23 OCTOBER 2026

Editing supplied footage for music, brands, personal projects, and social content. No posting is included.

New indicative starting rates. NGN and USD are separate market prices, not exchange-rate conversions. Final scope and fees are confirmed in a written quote.

Service / scope	Starting fee
Personal / cinematic edit One 15-30 second edit from up to 5 minutes of supplied footage; pacing, colour, transitions, and sound.	$75
Song promotion edit One 15-45 second music-led edit using supplied, cleared audio and footage; beat-led cuts and text treatment.	$150
Brand collaboration edit One 15-60 second branded video from supplied footage, with captions, logo treatment, colour, and sound.	$300
Social / talking-head clip One clip up to 60 seconds from up to 10 minutes of footage, with cleanup, captions, and light B-roll.	$100
Long-form / YouTube edit One finished video up to 10 minutes from up to 30 minutes of supplied footage; editing, colour, and audio cleanup.	$300

Included

One finished MP4 in one agreed aspect ratio and two consolidated revision rounds within the agreed brief. Delivery timing is agreed before work starts.

Quoted separately

Filming, advanced VFX/3D, extra versions, source files, rush work, and additional revisions are separate. You supply footage, music, brand assets, and any needed permissions.

Payment

Proposed editing terms: 50% upfront and 50% before final delivery. The issued project quote confirms the final terms.

Posting on Furreal accounts, paid-ad usage, licensing, exclusivity, and campaign management are quoted separately. No views, engagement, or campaign results are guaranteed.

These editing packages are new indicative recommendations, not past invoice totals. Quotes are valid for 14 days; timing and any additional permissions are agreed before booking.
